Guarantee Programs

The Funeral Cooperatives Network is committed to service beyond expectation before, during and after the service. We guarantee that if you are not 100% satisfied with any aspect of our service, we will make every effort to correct the situation. If we cannot correct it to your satisfaction, you will not be charged for that service item.

Funeral and Cremation costs can be very confusing. Often other funeral & cremation providers will quote what seems like a low price, but they do not give you the complete costs and there will be hidden add on charges after you have chosen to utilize their services. We have made it easier to understand by creating our “No Hidden Fee Guarantee” package plans. These plans include Service Fees, Merchandise and Taxes. We guarantee that the price we give you, will be the price that you will pay. Cash advance items and cemetery expenses are not included: What some funeral homes fail to disclose are the additional fees that may be necessary. These include obituaries, honorariums (clergy, musicians, soloists, altar servers), catering, sales tax, etc. We will be more than happy to sit down with you to discuss your options and provide you with a quotation that is as accurate as possible.

Additional information is available upon request.
